

Flu Shot Clinics Calendar

Flu Season is Near...be ready!

Have you been waiting to come in for that overdue annual checkup or test? Have you been thinking about an executive checkup with a cardiac evaluation? Is there something going on you really should have someone look at? Now is the time to schedule your visit, and get your flu shot, too. Our vaccine is in, and we have no restrictions on immunizations—you can get your shot, now.

If you really just need a flu shot, we will have clinics evenings and Saturday's starting before October, or you can schedule a visit just for the shot. Make an appointment at (303) 933-4555, online using our website or see the flu clinic schedule below.

Flu shots are recommended for:

all children over 6 months

all adults

older patients with chronic medical conditions including diabetes, congestive heart failure, asthma, etc.

A note to high risk patients: Supplies are limited and the clinic is on a first come first serve basis.

Congratulations!

Helen Story, M.D. and Rob Sims, M.D. are the new owners of Family Practice Southwest, P.C. An exciting finish just happened to a process a year in the works: Harry Brodie, M.D. has transferred ownership of Family Care Southwest to his long-time associate, Helen Story, M.D. and our newest physician, Rob Sims, M.D., the new co-owners. All are happy with the new ownership and look forward to many years of excellent medical care.

New steps are already in progress to add the latest amenities for automated forwarding of prescriptions to pharmacies, and new equipment to take less of your time checking in and making payments. There will be no changes in staff, but exciting new things lie in the future.

Welcome, Cornelia Humphreys

Cornelia's phone # is 303.933.4555 ext. 5

Cornelia is your first stop for help with deciding whether to come in, insurance prior authorizations, referrals, and medication questions. She has been a medical assistant for 34 years in a variety of practices. We are pleased to make her extensive experience available to you.
